RUSHING TO DYKE

On Account of the Strike Denio is the Scene of Great Activity.

A letter received from Denio, Oregon, today states that hundreds of people are rushing in to the Dyke mining regions from Southern Oregon. Over fifty had passed Denio and some of the travelers stated that more than two hundred more were on the way. One party had driven their horses so hard that the team died on the way. The members of the party jumped out of the wagon and continued the journey on foot. As a result of the excitement at Dyke Denio is feeling a renewed business interest.

Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the first M. E. church of Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea remedy for several years and find it a very valuable remedy, especially for summer disorders in children." "Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers that are liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary and delay may prove fatal.
